TRANSLATOR'S NOTES

NOTE: Even the uneducated reader
knows that every word of this book
is true.

NOTE: Even the most honest reader
will find it impossible to deny.

THEY SAY

Would
I die if I
fell from
here?

I'd be
seriously
injured at the
very least,
right?

"There you
are! You're
keeping them
from
sleeping."

"That's
good."

"You made
a friend."

He was probably happy
to get rid of me.

Are you happy?
Do you feel free now
that you don't have
to look after me?

It's almost
got seriously injured,
will Goh-boo in his
agony die?

Will he come
back to me
then?

Will I leave
Goh-boo alone
and make sure
he's safe?

Will he
die
soon?
